

# July 2020 news

We have kept Cabbage Patch open and given places to all our vulnerable children and those whose parents as critical key workers requested places which is a great achievement and I know you are very grateful. The staff are sad that they have not been able to see all the children in Preschool but have enjoyed their visits to deliver learning / home work packs and also seeing the great ideas you are doing with your children at home via your emails or posts on Face book.

Thank you to all the children who attended throughout the past year, you have made Cabbage Patch an exciting, challenging, unpredictable, funny and truly rewarding place.

We hope that those going into reception class settle quickly and continue happily learning with their new teachers.

For those returning we plan to re open from Monday September 7th. and look forward to seeing you for hopefully the full year.. We will contact you with dates for your child a.s.a.p.

Please get in touch if you would like any uniform for the new school year. We do have some in stock and any others ordered will be available at the start of next term. You may initially think they are quite expensive but they do last for the whole year so are actually very good value and they save any "debates" about what to wear and give the children a sense of identity.

During these very different times it is difficult to arrange any of our normal end of year celebrations. We do not want any children to not feel special so key persons will deliver end of year surprises for the children and their learning journeys for parents to keep as reminders of the first stage of their child's fun, learning times at Preschool. They will continue to learn under the Early Years Foundation stage which they began with us and all reception teachers are of course aware that your child has had to miss time with us.

Wednesday 8th July afternoon, Maria and Michelle

Thursday 9th July, morning Amy and Rachael

Monday 13th Jo and Joshua morning,

Janice around 1-30pm.

We hope you will all be home.

Childrens records of achievements are obviously not as full as they would have been under normal circumstances but by looking at the headings you can see how we would have continued in some areas of play and development which you might like to do in your own way at home.

The children attending will receive their surprises and parents given their learning journeys on their final day of attendance during the last week. Key persons will see you at the door at home time.

We hope you can enjoy a lovely summer and all stay safe and well..

Thank you for sending your child to Cabbage Patch Preschool.

Any questions during the holidays please ring or message me 07773498046.

You can also email [cabbagepatchpreschool@hotmail.co.uk](mailto:cabbagepatchpreschool@hotmail.co.uk) with any comments

I would love to hear from you Personally I want to recognise with a big thank you my staff who have worked during this pandemic and I will make sure they get "treats" too.

Pauline Yates
