Visitors employed by the local authority, governing body or any professional agency will be asked to show their identification before access is allowed. If they cannot produce their official photo I.D. then unsupervised entry will not be allowed.

All visitors sign in and out of the visitors book.

We have an open plan play room and visitors can be seen by staff at all times.

We value and acknowledge the partnership between home and preschool and aim to provide a welcoming environment for parents and carers.

We are always happy to work with experts in their field to aid the progress of our children and following I.D. checks welcome them into our setting.

Contractors must not commence work in any part of the building or grounds without prior discussion with the manager or her deputy who will discuss their work and risk factors.

We welcome visitors at Cabbage Patch but safety and security of the children in our care is always a priority. Everyone is asked to cooperate in promoting safety measures.
